Warm, welcoming, and distinctly Hershey, *Hershey Lodge* is a full-service resort located in Hershey, Pennsylvania. It is one of *The Official Resorts of Hersheypark*. Conveniently located to the majority of the *Middle Atlantic Region*, *Hershey* is located in *Central Pennsylvania*, just 90 minutes from *Baltimore* and *Philadelphia*, 2 hours from *Washington, DC*, and 2.5-3 hours from *New York/New Jersey*. Hershey is inspired by one of America's original success stories. It was here that Milton S. Hershey opened the world's first modern chocolate factory in 1905. Wanting to give something back to the community, he built a "model town" to provide his employees and their families with an attractive and comfortable place to live, work, and play. Today *Hersheypark*, *ZooAmerica*, the Milton Hershey School, and more are lasting testaments to Mr. Hershey's legacy and vision.

During this exclusive tour just for the Building Owners and Managers Association, the curators at ZooAmerica North American Wildlife Park will give your group a behind-the-scenes look at what it's like to work in and run a zoo.

Your visit will begin with a discussion on the private animal collection that became today's fully accredited ZooAmerica, highlighting its conservation efforts over the years. You'll then be guided in groups through the Animal Health Center where you will see how diets are prepared and the animals are cared for medically.

After that, you will visit select exhibits where the curators and their team will discuss what it takes to update enclosures while maintaining the historical integrity of the buildings.

Next, you will test your skills as zookeepers with a chance to shoot a practice dart at a target using blowpipe equipment, or assist in creating an enrichment item for some of the animals. Also, along the way there will be opportunities to get up-close and personal with reptiles or birds of prey. This paws and claws-on experience is one you won't soon forget! This tour runs rain or shine, and involves outdoor elements, so please dress accordingly.
