January 2020

Dear BOMA Buffalo Member:

Thank you for your continued membership! A strong membership allows BOMA to represent our members and the business community as a powerful, industry-wide voice to local and state officials, thus creating greater value to our members. Our strength is dependent on maintaining and growing our membership, and we appreciate your commitment to BOMA.

In 2020 we will roll out new education programs. In January BOMI designation classes for property management professionals begin in Buffalo, and we are also introducing a Lunch & Learn program.

BOMA International's advocacy team continues to positively impact the commercial real estate industry and protect our members' livelihood. Locally, BOMA Buffalo supported the PACE (Property Assessed Clean Energy) legislation, establishing a sustainable energy loan program in Erie County. We strive to develop partnerships with local organizations and elected officials.

BOMA Buffalo Membership Benefits:

- Membership in both BOMA Buffalo and BOMA International
- BOMA Buffalo and BOMA International on-line Membership Directories
- Monthly Meetings (timely informational luncheons, building tours, educational seminars and webinars, and networking events)
- Annual BOMA Awards program, Golf Outing, and Holiday Celebration
- Listings in BOMA International's printed Who's Who Membership Directory
- BOMA International Magazine and publications
- Continuing educational opportunities, designation and certificate programs
- Leadership development opportunities with local/international Board and committees
- Access to comprehensive marketplace research data (Experience Exchange Report)
- Building codes advocacy

As we continue to add new programs and services, your ideas and suggestions are very important to us. We encourage your input and participation on committees. Thank you again for being a part of BOMA. We look forward to working with you this year!

Sincerely,

2020 Board of Directors
