The Design, Operation, and Maintenance of Building Systems Part II

In this course you'll learn:

- Proper building/facility maintenance techniques
- Increasing occupant safety and comfort
- This course applies to the following designations/certifications: PAC, FMC, RPA & FMA

Note: Advance preparation is necessary to effectively participate in this concentrated review of the course. To ensure that you have sufficient time to prepare, you should be registered 10 business days prior to the class start date.

BOMI International graduates can fulfill 18 Continuing Professional Development (CPD) points by attending this course and completing and passing the exam.

This course is approved for 30 GBCI CE Hours towards the LEED® Credential Maintenance Program.

The state of NY may recognize this course for the completion of continuing education credits.

BOMI International courses are recognized by many other professional organizations such as IREM, IFMA, IUOE, and more. Credits from these organizations may apply as well.
