## Financing Solutions for Energy Efficiency in Commercial Tenant Spaces

Thursday, June 18, 2020

1:00 p.m. ET

As tenants in commercial buildings grapple with new priorities for their teams, and building owners optimize for low-carbon performance, many of our workspaces will undergo extensive redesigns in the short and medium term.

How can tenants or building owners pay for these fit-outs of the future? This webinar will feature presentations by the New York Green Bank, NYCEEC, and NYSERDA's Commercial Tenant Program on important new financing strategies for retrofitting existing buildings.

### Guest Speakers

**Patrick O'Donnell**  
Director, Engineering

**Andrew Kessler**  
Managing Director  
[@NY Green Bank](#)

## In this webinar you'll learn how to:

- Understand the role of financing in retrofitting commercial buildings, especially tenant areas
- Identify best-fit projects to meet financing opportunities
- Understand the role of the NY Green Bank, NYCEEC and other green lenders in reducing energy efficiency project costs
- Help clients understand their options when it comes to paying for energy efficiency projects
