

Head west on Porter Ave crossing over the NY190. Once you get over the bridge you will make the first left hand turn onto DAR Drive. That or if you are on the 190 and exit at Porter Ave. You will make a right onto Porter and then a quick left

After making the left turn onto DAR Drive. Proceed about 250 yards and you will come to the driveway entrance for the Centennial Pool parking lot on the left side.

Park Vehicles in the pools parking lot and use the pedestrian walk to cross DAR Drive and enter the Colonel Ward Pumping station through the rear gate.

For Security reasons **NO PRIVATE VEHICLES** will be allowed inside the plant gates. All vehicles are to be parked at the pool or on DAR drive.
